16-25 November 2020**

SHORT DESCRIPTION

IFA/OECD

IFA/OECD | Tuesday, 24 November 2020 | 15.00 – 17.00

Chair

Stef Van Weeghel (Netherlands)

The IFA/OECD seminar addresses several major developments in the international tax arena. It is comprised of two segments namely an OECD update and the tax challenges arising from digitalisation (Pillar One and Pillar Two). The first segment is intended as an update on the ongoing work of the OECD focusing on various OECD initiatives whereas the second segment delves deeper into the OECD's work on digitalization and the challenges and opportunities arising therefrom.
